

## **Job Posting: Part-Time Teacher for Mixed-Age Group (Ages 4-7)**

We are seeking a passionate and skilled **Part-Time Teacher** to join our unique **home-school cooperative** for the **2025-2026 school year!** This is a special opportunity for an educator who values **outdoor learning, individualized instruction, and a strong sense of community.**

### **About Us:**

We are a home-school cooperative. Our learning environment is entirely outdoors. Students attend in person between 1-5 days per week, with an option for virtual school on rainy days.

For the 2025-2026 school year, we will have 5-9 students in our program. Additionally, at least one parent volunteer is always present to provide support and ensure a strong collaborative learning environment.

To protect our community, we have a strict no-illness policy—anyone showing signs of illness must stay home. Sick students have option of virtual days

### **Position Details:**

- **School Year:** 2025-2026
- **Schedule:** 3-5 days per week
- **Age Group:** Mixed ages (4-7 years old)
- **Class Size:** 5-9 students
- **Parent Support:** At least one parent volunteer is present at all times
- **Location:** [Insert Location]
- **Start Date:** Fall 2025
- **Hiring Timeline:** We hope to hire a candidate by the **end of March 2025**
- **Compensation:** **Generous pay** based on experience and commitment level
- **Safety Requirement:** Teacher must be comfortable wearing a mask while teaching outdoors and following our strict health protocols.

### **Key Responsibilities:**

- Design and implement an individualized and differentiated curriculum across multiple subjects, including reading, writing, math, science, cultural studies, art, and movement.

- Foster a nurturing and engaging outdoor classroom where children develop independence, creativity, and curiosity.
- Adapt lessons to meet the diverse learning needs, styles, and interests of each child.
- Communicate and collaborate with parent volunteers, ensuring a strong partnership between home and school.
- Create a supportive and inclusive learning environment that respects each child's unique abilities and needs.
- Follow all safety protocols, including mask-wearing and our strict no-illness policy.
- Be flexible and prepared to transition to virtual teaching on rainy days.

### **Qualifications:**

- Experience working with mixed-age groups (ages 4-7) in an educational setting.
- Strong understanding of child development and best practices in differentiated instruction.
- Ability to create engaging, hands-on, and nature-based learning experiences.
- Comfortable integrating virtual teaching when needed.
- Excellent communication and collaboration skills, particularly in working with parents and volunteers.
- Passion for fostering a love of learning in young children while prioritizing safety and well-being.

**If you are an educator who values flexibility, creativity, outdoor learning, and community collaboration, we'd love to hear from you!**
