- Observe and assess each child's development and progress
- Create opportunities for hands-on learning experiences
- Utilize behavior management techniques to promote positive behavior
- Collaborate with other teachers to plan and coordinate activities
- Communicate regularly with parents regarding their child's progress
- Maintain accurate records of attendance, assessments, and incidents

Skills:

- Strong knowledge of childhood development theories and practices
- Experience working with children in an educational setting
- Ability to create engaging and age-appropriate curriculum
- Excellent communication skills, both verbal and written
- Strong organizational skills and attention to detail
- Ability to manage classroom dynamics effectively
- Knowledge of early intervention strategies for children with special needs would be desirable.
- Familiarity with behavior management techniques

Requirements:

- Looking for an individual with 3 + years of teaching experience.
- Valid teaching certification or license
- CPR and First Aid certification (or willingness to obtain)
